District Recorder  
Ian Macklin

### Greetings to you all, brother knights

Hopefully the Summer "break" was not too stressful  
and gave you an opportunity to recuperate and re-  
fresh.

As the new "Masonic Year" commences I hope that  
our Order flourishes and makes us all even more  
proud to be Knights Templars.

For that to develop I believe that enthusiasm is the  
key and that necessitates attendance at scheduled  
meetings and visiting other Preceptories, but most  
of all it requires good ritual.

We are all busy Masons and belong to several Or-  
ders all of which require the same attention, but as  
your Provincial Prior I would like our knights to con-  
centrate upon those requirements. How else are we  
to encourage membership and involvement in the  
work of the Preceptories to make them stronger  
and interesting .

I do believe that our knights would like Knights  
Templar to be special. Let us smarten-up our regalia  
and presentation and make it happen !

I look forward to seeing you all at your Preceptories  
in due course and at our Provincial events, as set  
out below and opposite.
